STUDENT'S/UNCLASSIFIED STUDENT'S DECLARATION OF INTEGRITY

20..... d. _____

I hereby accept that:

- truth, knowledge, and understanding are the highest values of science and studies and the values confirmed in the Code of Academic Ethics of Alytaus kolegija are also the institutional values of Alytaus kolegija;
- only honest ways gain an advantage over other members of the academic community.

Assessing the fact that academic integrity:

- contributes to the openness and integration of the science and study system into the international research and higher education area, to the development of a harmonious science and study system and to the development of an ethically responsible personality;
- fosters academic ethics, the responsible exercise of academic freedom and the principle of fair competition;
- strengthens trust in the value of higher education and research and has a direct positive impact on the quality of studies, the name of the institution of science and studies;
- limits the tolerance and prosperity of societal vice (especially corruption).

– each member of the academic community must take the initiative and take responsibility for the search for solutions to academic dishonesty and their application in every academic activity;

– determination to adhere unconditionally to the principle and rules of academic integrity helps to reduce the prevalence of this problem.

By signing this declaration, I voluntarily and consciously undertake to:

- comply with the provisions of the Code of Academic Ethics of Alytaus kolegija and other documents regulating ethical behaviour throughout the study period;
- take up a responsible attitude towards my duties as a student and carry them out honestly ;
- be an example to other members of the academic community as a student, not to tolerate cases of academic dishonesty and to fulfil my duty to report and disclose such cases;
- actively contribute to the creation and fostering of a fair academic environment at Alytaus kolegija.

I agree that for violations of academic ethics in taking pass tests, examinations and other interim settlements, preparing and reporting for independent work or graduation theses, conducting applied research, publishing the results of applied research (for example, in publications, events), I shall be sanctioned by the Code of Academic Ethics of Alytaus kolegija.
